Re: **Offer of Employment by Troutly Analytics, Inc.**

Dear Belaviv:

I am very pleased to confirm our offer of employment to you with Troutly Analytics, Inc. (the “Company”). The terms of the offer and the benefits currently provided by the Company are set forth below.

1. Position and Reporting. You will be employed in the position of Senior Software Engineer, reporting to the Company’s Engineering Manager. This is a full-time, exempt position. You will be expected to devote your best efforts and full business time to the Company and to perform such duties as the Company may from time to time assign, consistent with your position.

2. Start Date. Your first day of employment will be 03/11/2024 (the “Start Date”), subject to satisfaction of the conditions set forth below.

3. Base Salary and Pay Frequency. Your annual base salary will be USD \$138,000.00, less all applicable taxes, withholdings, and deductions required by law. Base salary will be paid on a semi-monthly basis in accordance with the Company’s regular payroll practices, on the 15th and last day of each month. As an exempt employee, you will not be eligible for overtime compensation.

4. Equity. Subject to the approval of the Company’s Board of Directors, you will be granted a stock option to purchase 20,000 shares of the Company’s common stock under the Company’s 2019 Stock Plan (the “Plan”). The exercise price per share will be equal to the fair market value of a share of common stock on the date of grant, as determined by the Board of Directors. The option will vest over four (4) years, with 25% of the shares vesting on the first anniversary of your Start Date and the remaining 75% vesting in equal monthly installments over the following 36 months, in each case subject to your continued service with the Company on each vesting date. The option will be governed in all respects by the terms of the Plan and the applicable stock option agreement, which you will be required to sign as a condition of the grant.

5. Benefits. Beginning on the applicable eligibility date, you will be entitled to participate in the health, welfare, retirement, paid time off, and other benefit plans and programs made available to similarly situated employees of the Company from time to time, in each case in accordance with the terms of the applicable plan documents and the Company’s Employee Handbook, as in effect from time to time. The Company reserves the right to modify, suspend, or terminate any benefit plan or program at any time, subject to applicable law.

6. At-Will Employment. Your employment with the Company will be at-will. This means that either you or the Company may terminate the employment relationship at any time, with or without cause and with or without prior notice. Nothing in this letter, in any Company policy or procedure, or in any statement made by any Company representative shall be construed to alter the at-will nature of your employment or to create any express or implied contract of employment for any specific term. Any modification of the at-will nature of your employment must be in a writing signed by you and by the Chief Executive Officer of the Company.

7. Confidentiality and Invention Assignment. As a condition of your employment, you will be required to sign and abide by the Company’s standard Employee Confidentiality and Invention Assignment Agreement (the “Confidentiality Agreement”) on or before your Start Date. You agree that you will not bring to the Company, use in the course of your employment, or disclose to the Company any confidential or proprietary information belonging to any prior employer or other third party, and that your acceptance of this offer and performance of your duties will not violate any agreement or obligation you have to any prior employer or third party.

8. Contingencies. This offer of employment is contingent upon (a) the satisfactory completion of a background check conducted by or on behalf of the Company, (b) your completion of the Form I-9 Employment Eligibility Verification and presentation of documentation establishing your identity and authorization to work in the United States within

three (3) business days of your Start Date as required by the Immigration Reform and Control Act of 1986, and (c) your execution of the Confidentiality Agreement referenced in Section 7 above. If any of these conditions is not satisfied, this offer and any resulting employment relationship may be withdrawn or terminated by the Company without further obligation.

9. Entire Agreement. This letter, together with the Confidentiality Agreement and the Plan and stock option agreement referenced above (once executed), constitutes the entire agreement between you and the Company with respect to the subject matter hereof and supersedes any prior negotiations, representations, or agreements, whether written or oral, relating to your employment. This letter may be amended only in a writing signed by you and by an authorized officer of the Company.

10. Acceptance. If the foregoing terms are acceptable to you, please sign and date this letter in the spaces provided below and return a signed copy to me no later than February 26, 2024. We look forward to welcoming you to Troutly Analytics.

Very truly yours,
