Hectori Bung
[Address on file]

Dear Hectori,

On behalf of Troutly Analytics, Inc. (the “Company”), I am pleased to extend this offer of employment. The terms set forth in this letter, once signed and countersigned, will govern the terms and conditions of your employment with the Company.

1. Position. You are offered the position of **Software Engineer II**, an exempt, full-time role in the Engineering department. In this role you will report to the Engineering Manager. Your duties will include software design, implementation, code review, on-call rotation participation, and such other responsibilities as may reasonably be assigned to you from time to time by your manager or the Company’s officers.

2. Start Date. Your first day of employment will be **02/03/2025**. Onboarding materials, workstation setup, and your Day-One schedule will be sent to the personal email address you provided during the interview process no later than five (5) business days before your start date. If for any reason you are unable to begin on 02/03/2025, please contact the undersigned promptly so that an alternate date may be arranged in writing.

3. Compensation. You will receive an annual base salary of \$134,000.00 (one hundred thirty-four thousand dollars; annualized USD 134000), less all applicable withholdings and authorized deductions, payable in accordance with the Company’s regular payroll practices. Payroll is currently disbursed on a semi-monthly basis, on the fifteenth (15th) and last calendar day of each month. Your base salary will be reviewed in the third quarter of 2026 with a target annualized base of \$140,000.00 (annualized USD 140000), subject to performance and written approval signed by your manager and either the Chief Executive Officer or the Chief Technology Officer in accordance with the Company’s compensation authority policy.

4. Equity Grant. Subject to the approval of the Company’s Board of Directors and your execution of the Company’s standard Stock Option Agreement and Notice of Grant, you will be recommended for a grant of stock options to purchase shares of the Company’s common stock under the Troutly Analytics, Inc. 2019 Equity Incentive Plan. The number of shares, exercise price, vesting commencement date, and other terms of the grant will be set forth in the Notice of Grant issued to you following Board action. Options will vest over four (4) years, with twenty-five percent (25%) vesting on the first anniversary of the vesting commencement date and the remainder vesting in equal monthly installments over the following thirty-six (36) months, in each case subject to your continued service to the Company. All equity terms are governed by the Plan and the Stock Option Agreement, which will control in the event of any inconsistency with this letter.

5. Benefits. You will be eligible to participate in the Company’s benefit programs on the same basis as other similarly situated full-time employees, in accordance with the terms of the Troutly Analytics Employee Handbook and the underlying plan documents. Currently offered benefits include group medical, dental, and vision coverage; paid time off; company-observed holidays; and participation in the Company’s 401(k) plan. Eligibility, waiting periods, coverage start dates, employer contribution levels, and vesting are governed by the applicable plan documents, which the Company reserves the right to amend, modify, suspend, or terminate at any time in its sole discretion. A summary of currently available benefits will be provided to you during onboarding.

6. At-Will Employment. Your employment with the Company is and will remain “at will.” This means that either you or the Company may terminate the employment relationship at any time, with or without cause and with or without prior notice, for any reason or for no reason. Nothing in this letter, in any Company handbook, policy, or practice, or in any oral or written statement made by any representative of the Company should be construed as creating a contract of employment for any specified period or as altering the at-will nature of your employment. The at-will nature of your employment may be modified only by a written instrument signed by you and by the Chief Executive Officer of the

Company that expressly states an intent to modify the at-will relationship.

7. Confidentiality and Invention Assignment. As a condition of your employment, you will be required to sign the Company's standard Employee Confidentiality, Non-Solicitation, and Invention Assignment Agreement (the "CIAA") on or before your first day of employment. Under the CIAA, you will agree, among other things, (i) to hold in strict confidence all confidential and proprietary information of the Company and its customers, (ii) to assign to the Company all right, title, and interest in and to inventions, works of authorship, and other intellectual property conceived or developed by you within the scope of your employment or using Company resources, (iii) not to solicit Company employees or customers during your employment and for a defined period thereafter as set forth in the CIAA, and (iv) to return all Company property upon termination of employment. You represent that your employment with the Company and performance of your duties will not breach any agreement with any prior employer or third party, including without limitation any non-competition, non-solicitation, or confidentiality obligation.

8. Contingencies. This offer of employment is expressly contingent upon (a) your satisfactory completion of the Company's standard background check, including verification of prior employment, education credentials, and criminal history to the extent permitted by applicable law; and (b) your presentation, on or before your first day of employment, of documentation establishing your identity and authorization to work in the United States as required by the Immigration Reform and Control Act of 1986 (Form I-9). If either contingency is not satisfied, the Company reserves the right, in its sole discretion, to withdraw this offer or to terminate your employment.

9. Entire Agreement; Effect of this Letter. This letter, together with the CIAA and the Stock Option Agreement (once executed), sets forth the complete understanding between you and the Company regarding the subject matter addressed herein and supersedes any prior or contemporaneous oral or written representations, agreements, or understandings concerning your employment. This letter may be modified only by a written instrument signed by you and by an authorized officer of the Company. This letter is governed by the laws of the State of Texas, without regard to its conflict-of-laws principles.

Hectori, we are excited about the prospect of you joining Troutly Analytics and about the contributions you will make to our engineering organization. To accept this offer, please sign and date this letter in the space provided below and return the signed copy to me no later than **January 24, 2025**.

Sincerely,

/s/ Michael Labeson

ACCEPTANCE

I have read, understood, and accept the terms of employment set forth in this letter. I acknowledge that no promises, representations, or commitments have been made to me by the Company or any of its representatives that are not contained in this letter. I understand that my employment is at-will and that this offer is contingent upon satisfactory completion of the background check and timely presentation of Form I-9 documentation as described above.

/s/ Hectori Bung
